*The Lafayette Society promotes awareness of the many contributions to America's freedom by the Marquis de Lafayette, the French hero of the American Revolutionary War. We honor him for his generosity, patriotism, leadership, opposition to slavery and oppression, and support of human rights for all by encouraging these qualities in the civic character of Fayetteville, North Carolina, the first city in the United States named for him.*

Visit [www.lafayettesociety.org](http://www.lafayettesociety.org) to learn more about the Lafayette Society!
